2 Click Instagram

(i)

3 Select your profile or enter your username and password to sign in to the account you wish to add to the check.

Note: You will need to sign in to the Instagram account in a browser tab and not through the app.

4 Once you have successfully signed in to your Instagram account in a browser tab, go to your email account and find the consent email sent by the Social Media Check System.

Scroll down on the email and click "CONSENT" to open the Social Media Check screen.
